A STANDARD HISTORY BY

GEN. LEE.

A Work of National and Permanent Value.

MEMOIRS OF THE WAR,

By Gen. Henry Lee.

("LIGHT HORSE HARRY")

Thoroughly Revised and Annotated, BY GEN. ROBERT E. LEE.

WHO HAS ADDED A FULL BIOGRAPHY OF HIS FATHER.

1 vol. octavo, 640 pages, with new Steel Portraits of Gen. Henry Lee, Gen. Robert E. Lee, and Gen. Nathaniel Greene; beautiful Steel Engravings of "Marion crossing the Pedee," and the "Surrender of Cornwallis;" Maps of the Siege of Charleston, S. C.; the Siege of Yorktown, Va.; the Battle fought near Camden; the Battle of Guilford; the Battle of Bobaree Hill; and a sketch of Gen. Henry Lee's residence.

This admirable history of the operations of the American Armies during the Revolutionary War in the Southern Department of the United States, is the standard work on the subject of which it treats; and this new edition, revised, corrected, and enlarged by Gen. Robert E. Lee, the distinguished son of the author, and embellished by elegant Engravings, and original Maps never before published, is a volume of the highest value to every intelligent person.

This history has been for a long time out of print, and because of its accuracy as a history of that interesting period and that there was no work to supply its place, it was much sought for and a new edition demanded.

It is seldom that a historical work by a distinguished author has the advantage of a revision by so distinguished a son, and both of them great military leaders in the same section of the country.

Gen. Lee receives a large portion of the price for every copy of the book sold. Sold only by subscription.

PRICE:—Handsomely bound in Cloth, $4.00.
" Half Calf $ 00.

JOSIAH TURNER, Jr., EDITOR.

TUESDAY, DECEMBER 14, 1869.

TAXES AND HARD TIMES.

It is always hard to have to pay out money without getting an equivalent, in some shape, in return. It is this that makes the present system of taxation such a burden upon our people.

It is a truth so well established, so palpably seen and felt by everybody, as to need no corroboration, that the people are much less able to pay taxes now than they were before the late war. It is a fact equally seen and felt, that the taxes are six or seven times higher, for State and county purposes, than they were before the war.—It is, also, a fact that this increased taxation is not in consequence of the war, because all the war debts were, by the requirement of the reconstruction acts, repudiated.

The conclusion to be drawn from these facts is, that the Radical party, now in power, have *unnecessarily* increased the burden of taxation upon the people, at a time they are at least able to bear it, six or seven times greater than it ever was before the war.

We will exemplify by taking the county of Stanley; the Sheriff of this county, Mr. Joseph Marshall, paid in his third instalment of taxes, on Saturday last, into the Treasury, making about $6,500 paid in all, this year, and leaving some five or six hundred yet to be collected.

In former times Stanley county paid, in State taxes, from $900 to $1000; now she pays $6000, or from six to seven times as much as formerly. The Sheriff, who has held the office for sixteen years, says he has never had so much difficulty in collecting the taxes as during the present year; and that in many instances, people had paid them at the sacrifice of the bread and meat of their families.

The same proportion of increase will hold for all the counties of the State.

Now let us see what this Radical administration is giving us in return for all this money collected in the shape of taxes.

We take up the Treasurer's report and there find, for the year ending Sept. 30th, of the present year, some of the items the money has been used to pay for. Salaries for the regular officers of the State, largely increased. The salaries of a horde of new officers, unknown before the days of Radicalism. Five hundred dollars expenses for sending the carpet-bag Adjutant General to the State of Vermont, to see his folks. A heavy bill for new carpets, new sofas, easy chairs, looking glasses, combs and brushes, &c. &c., for the offices in the capitol, the amount of which we are unable to ascertain, but suppose it must be large, from the freight bills for it, which amount to about $200. Then we pay several hundred dollars for Friday Jones to guard the capitol, and some hundreds more for Henry Hunter to ring the Capitol bell for him; several hundred to C. M. Parris to keep the Capitol, and several hundred to Solomon Bragg and others to walk about Capitol Square and pick up the straws and leaves in the walks, every morning; several hundred dollars for ice to put in the water and other liquids about the capitol; Alex. Turner to wait on the departments of the capitol, and various other things for the capitol, no doubt, included in that *seventy six thousand dollars* "contingencies," reported by the Treasurer a few days ago.

All these things the tax payers have to stand, besides hundreds of others of the same sort, the benefits of which they are unable to see.

Then they are charged with the luxury of a Legislature, the members of which receive seven dollars a day. This price was paid them the previous sessions for passing laws that they are now receiving the same price for repealing.

Take for instance the Railroad appropriations; at the last session they tried to force on the people, appropriations of some ten millions dollars, which cost the people, in *per diem*, at least ten thousand dollars; they also passed some sixteen millions appropriations, not declared unconstitutional, yet, which cost the people, in *per diem*, at least twenty thousands; and the little *special* features of these appropriations is costing them *seven hundred and twenty thousand dollars* a year additional, and the bonds on which they pay it, selling for less than thirty cents in the dollar!

Under all these circumstances, the people can't see that they are getting the worth of their money.

Since writing the foregoing, we have seen and conversed with Sheriffs from other counties. One of them said the State taxes of his county were, in 1866, about $900, now it is nearly $5,000. Another said he had been obliged to sell the corn and pork of poor families for taxes, and by doing so, left the families literally without food for the winter. Another said he had not collected all his taxes, and found it impossible to do it, without reducing many of his people to starvation.

In the face of all this suffering and distress, put upon the people by this Radical administration, our Governor, in his message, says, we can pay the interest on all our bonds, old and new, although, to do it will require an addition to the present assessment, of about fifty *per cent.* The Treasurer says there is a persistent effort of men to avoid paying in proportion to what they are worth, and that, if the General Assembly should "yield to this clamor there would be no stoppage of it." No; don't yield, but lay it on!

In the face of all this suffering and weight of taxation, our Legislature goes on smoothly at $7 a day—takes holiday and receives mileage for going home and returning; our State officers sit back in their easy chairs, or loll on the sofas the people have been taxed to pay for, and, by their action, if not their language, curse "the unreasonable dogs, who grumble because they have got a little tax to pay!"

MOSES PRIMROSE, PEREGRINE PICKLE, GENERAL LITTLEFIELD AND THE SALE OF THE NORTH CAROLINA RAILROAD.

We have read in the story book, that when Moses Primrose, with a cautious air and collected look, took a seat by Peregrine Pickle, Peregrine, informed him, to his equal surprise and delight, that Captain Booth had written a refutation of materialism. He added that the Captain did not choose, at present, to be openly talked of as the author, though he did not mind being complimented upon it in an obscure and ingenious way.

Just so with General Littlefield, about Sam Barnett's bill to sell the North Carolina Railroad; the General does not care to be called the author of the bill, at present, though he would not object to being complimented, in an obscure and private way, and have it understood that he talked of that sale and financial step for the good of the Ring, two years before Sam introduced his bill.

The bill to sell, having failed at the last session, the General has little hopes of the success of Sam's bill now. If the bill fails, as it will, then the General will put forward a scheme to sell one million of the State Stock in the Road, that Northern capitalists may have the control of it, as they now have of the Wilmington and Weldon Road. Major Smith, and Dr. Hawkins, will favor this scheme as the next best to the lease, for the Raleigh and Gaston Rail Road. We heard it said, to-day, if General Phil. Hawkins could get his disabilities removed, and take his seat in the Senate, he could put through the bill to sell one million of the stock of the Road, in order to give the Raleigh and Gaston Road the control of the freights of the North Carolina Road.—Gen. Phil. will soon have his disabilities removed, and we will see, in the absence of General Littlefield, what General Phil. can do for the Hawkins Littlefield plan of selling one million of the State's stock in order to give the Raleigh and Gaston Road controlling influence in directing freights from the North Carolina Road.

No doubt Mr. Moring, should he get his disabilities removed by the time Gen. Phil. does, will lend his assistance in the matter. By-the-way, if Mr. Moring can keep his seat, without having his disabilities removed, why may not Gen. Phil. qualify and take his seat, also. Sauce for the goose should be sauce for the gander, or rather, one gander is as much entitled to sauce as another gander.

THE LEGISLATURE—FOURTH WEEK—RADICAL MISRULE.

Nothing of general interest has been accomplished; although an uprising and indignant people are calling for *relief*—although the very air is almost polluted with rumors of fraud, swindling and corruption; the dominant party majority in this Legislature are utterly heedless of their demands. Bold and vigorous efforts have been made by the Democrats and a few (very few) Republicans to have a full and fair investigation into these frauds in the management of our bonds.

Yes we say, very few republicans have come to the rescue in the trying emergency. And those who manifested a disposition to act with those who intended to vindicate the people, have been subjected to all the rigor of the *party lash*. Night after night has "King Caucus" convened in the Commons Hall his truculent sycophants, and ordered them back into the *shambles of party* warfare.

Committees have waited on the *faint hearted* and *weak kneed* to compel their adherence to the "Drilling Code of tactics" gotten up by Downing of Penitentiary notoriety, and Carpet Bagger French who has already nearly exhausted his *variegated brain* in the attempt to get a bill through creating a Rail Road "Commission" intending to make a *fat office* for himself, and to give the "Ring" a better chance to that Rail Road bond.

Others have left the Capitol—Jim Harris has gone to Washington to get an office—Byron Laflin has gone to New York doubtless to notify the "Ring" that "trouble exists in the camp"—indeed it is difficult to get a quorum any day in either House.—Numbers of these Radical impostors hold two offices—tax collectors, assessors &c—they get seven dollars per day and get leave of absence to go home and attend to their business.

Strange state of affairs indeed! If a Democrat proposes a measure looking to the developement of this villainy and rascality, they log-roll, shuffle, gag, then adjourn and call a "caucus" of the party. Evidently this party intends to *dodge* the *investigation*. The Democrats have made them show their *vile and premeditated* purpose time and again. Even the blowing of Billy Smith's horn has ceased to have the effect to call the "dogs to the chase." A few nights ago he went into the caucus and blew his horn—and did every *other kind of blowing without effect*. We are told that he denounced his party—showed up their *vile ends*; and that many of the *humble, weak kneed* came into the rank, and asked forgiveness for the want of *party fealty*.—But they *will not investigate fraud*.

MR. EDITOR:—According to a previous notice, a large meeting of the people of Yadkin county, was held in the Court House in Yadkinville on Tuesday of last week, the 30th of November, 1869. Upon motion of Capt. A. N. Smith, Aquilla Speer, Esq., was called to the chair, and Andrew C. Cowles and John A Hampton, Esq., were appointed Secretaries.

The chairman requested Mr. J. F. Graves, of Mount Airy, to explain the object of the meeting, after which His Honor Judge Cloud, being called upon, addressed the meeting at some length, and in a forcible manner advocated an amendment by the present Legislature of the charter of the North Western North Carolina Railroad Company, so as to locate and commence the Mount Airy branch, of said road, from some point on the line of said road, most practicable, so as to run through Yadkin county, and to take away all restrictions in the charter of the Company requiring the Valley Road to be located at any particular point or place, and that both roads run together into Yadkin county, it believed best and most practicable. Joseph Dobson and C. J. Cowles, Esqrs., in speeches advocated the changes mentioned, after which the following resolutions were introduced by His Honor Judge Cloud, and unanimously adopted by the meeting:

Resolved, That we respectfully recommend to the President and Directors of the N. W. N. C. R. R. Company, to ask the Legislature, to so amend the charter of said Company, as to have it discretionary with the Company to commence and locate the Mount Airy Branch of said road from any point on the line of said road, deemed best and most practicable, to run through Yadkin county.

Resolved That all restrictions in the charter of the Company requiring the line of the Valley Road to be located at any particular place or point be removed, and the Company left free to locate the line of said road on the cheapest, best and most practicable route or routes.

Resolved, That the two roads be run together into the county of Yadkin if believed to be most practicable.

Resolved, That our Senators and Representatives in the Legislature be instructed to use their influence to procure an amendment of said charter.

Resolved, That the proceedings and these resolutions be sent to the Raleigh "*Sentinel*" and "*Standard*" and "Winston *Sentinel*" for publication.

A DELICIOUS BLUNDER.—As one of the most gallant Brigadier Generals of our late army was crossing the Fair grounds at Macon, he was suddenly confronted by a lady, who smiling in all the glory of her rosy lipped beauty, took both his hands, shook them most heartily, and then making a rosebud of her mouth, leaned forward and kissed him most vigorously.

As soon as she had done this she turned to present him to her companion, and she not catching the name asked for it. The General, lifting his hat, announced his name, at which the first lady shrieked, and shouted that she was mistaken in the man—that she took him to be a cousin of hers. The General laughed, the party chatted merrily for awhile, then the gallant soldier strolled off sorrowfully, looking for somebody else to mistake him for a cousin.

The above is true.—*Rome Courier.*

INTERESTING TO MASONS.—Free Masons will be interested in learning that the Bobleman who has been for twenty-six years at the head of their Order in England is now on the point of retiring. The Earl of Zetland is extremely popular among the English Masons, and a short time ago a magnificent testimonial was got up for him, but when the fact came to his knowledge he begged that the money might be devoted to the charitable institutions of the brotherhood. The Earl is now upward of seventy four years old, and increasing infirmities have led him to resign a post of which he was always proud. It is said that the new Grand Master will most likely be Earl de Grey and Ripon, at present Deputy Grand Master.

THE SENTINEL.

CITY AND STATE ITEMS.

TUESDAY, DECEMBER 14, 1869.

ap- THOS. S. HANDAY, as Business Clerk, is authorized to make contracts and give receipts, &c., &c.

DR. THOMAS H. TURNER having returned to his old home, offers his professional services to the citizens of Hillsboro and vicinity. 2w

NEW ADVERTISEMENTS.—All Sheriffs in the city are cited to the call for a meeting of Sheriffs to-day at Temperance Hall.

We would direct attention of those desiring a beautiful suburban home to the advertisement of Dr. Babcock. It is a very desirable place.

Mr. Rosenbaum has a fresh arrival of goods for the holidays in great variety. We cannot enumerate them but refer to the advertisement.

Select Boarding and Day School, Misses Nash and Miss Kolloch, Hillsborough, enjoys a high reputation, and presents educational facilities unsurpassed by any similar institution in the South.

We had a call, on Saturday evening last, from Mr. Brumley, of Philadelphia, who is on a visit to our State, with a view to settling here. We, the Local, was glad to take him by the hand, as he was a good old Jackson Democrat, and withal a clever, well-informed gentleman. We hope he may find a location to suit him, and that he may pitch his tent among us.

COMING TOGETHER.—We learn that daily trains will soon commence running between Raleigh and the terminus of the Chatham Railroad, two miles from Haywood in Chatham county. The Schedule of the Western road, from Fayetteville, will be so arranged as to make a through line from Raleigh to Fayetteville, the intermediate gap of 12 miles being supplied by stages.

"It is said," one of our Railroad Presidents lost a large amount of money at a faro bank, in New York, some time ago; wonder which one of them it was! We are promised a full statement of the facts, and we intend to publish it, if it causes a law suit.

THE GENERAL ASSEMBLY.—This body is very busy doing nothing. There is barely a quorum in the Senate, and in a few days the same will be true of the House. Many are leaving for home in advance of the recess, but are, we understand, drawing pay up to the time.

If this body continues in its present course, it will soon place itself in the same condition with a co-ordinate branch of the Government, which has, by its own decision, declared itself to be as much a subject of "contempt" out of Court as in it.

HOG IN DISPUTE.—We saw yesterday afternoon, on Fayetteville street, a colored man having a hog tied by the leg, driving it towards the Market, and a woman, who claimed him (the man, not the hog,) as her husband, and the hog (not the man) as her property, following and endeavoring to head them off. He said the hog was his, for he paid for it; she said it was hers, for he gave it to her and she had raised and fattened it; and that, now, he was trying to take it away from her to give to "another woman." The disputed possession had not been settled when we last saw them.

The *Standard* buried Democracy again yesterday. The last we saw of the undertaker, who also filled the characters of priest and chief mourner, he was mopping his eye with one corner of his coat cuff, while a melancholy drop ornamented the tip of his proboscis; all the while he was looking anxiously over his shoulder to see if the thing had "riz" again, and mumbling something that sounded like "will not down at my bidding."

It Astounds Everybody That A Colorless, Odorless fluid, like spring water, should revive the original tint in white, grey or grizzled hair. Yet so it is. PHALON'S VITALIA OR SALVATION FOR THE HAIR is just such a fluid, as limpid and as stainless,—yet it far excels every other dye or coloring liquid ever known, in imparting rich shades of color to grey hair.

HEAVY INSURANCE.—The papers chronicle the death of Col. Aaron Wilbur, of Savannah, Ga., on the 5th inst., from pneumonia. His life was insured to the amount of $70,000—$7,500 in the Connecticut Mutual, through Mr. S. D. Waitt, general agent for that Company.

The English newspapers inform us that the Sultan of Turkey wants £12,000,000, and is raising it as a 6 per cent. loan at 54, while, according to report his agents are negotiating for a second loan, to be raised by lottery. If any are tempted by such prices, continues the English financial, we would remind them that so far as the special security promised is concerned, the "special claim on Anatolian revenue" is a special piece of nonsense, like a special claim on a debtor's boots.

We commend the foregoing to the special tasters of North Carolina.

HUMORS OF THE COURT.—During a recent trial in the U. S. Circuit Court, our learned Attorney General appeared for an unfortunate darky, who was accidentally convicted. The Judge, on pronouncing the sentence, inquired if there was room in the Penitentiary here for him, when Mr. Olds replied, "No, sir, I learn that, about the 1st of January, there will be accommodation for one hundred and twenty five convicts, but *all the places have been spoken for.*"

HE IS BUILDING A MILL.—We understand our friend, Joel Ashworth, who represents Randolph County in part, is erecting a mill, the completion of which depends entirely upon the Legislature holding over for four years; for this session it will require the full of his seven dollars a day, for two more sessions, minus the necessary amount to pay his board in Raleigh, and *plus* the superfluous mileage, to pay the workmen and put in the machinery. So Joel may be sat down as in favor of holding over.

LEGALIZING MISCEGENATION.—Mr. Sinclair—the fighting parson—introduced a bill into the House of Commons yesterday, legalizing marriages between blacks and whites in his county, from 1865 to 1869 inclusive. This is miscegenation and social equality on the broadest basis; for if it be right to legalize these marriages in Robeson county, it is right to legalize them in every other county; and if for the last four years, then for the next four; in short for all times and all counties and all States.

We have no idea the bill will pass. If some of the friends of the gentleman have gotten themselves into scrapes of the sort intended by his bill to be remedied, they will have to get out the best way they can. We are sorry for the colored individuals who may be thus entangled, but to relieve them would be to fly in the face of the oft-repeated declarations of the party, whatever their private feelings may be on the subject.

HOOK AND LADDER COMPANY.—A meeting of this Company will be held at the Court House, this, (Tuesday,) evening, at seven o'clock, to which a punctual attendance of the members is required.

Rev. Mr. Daily, occupied the pulpit of the M. E. Church, South, morning and evening, on Sunday. The Church was crowded to its utmost capacity, and on each occasion the large audience gave the deepest attention to the earnest, stirring and eloquent discourse delivered. He has made a very favorable impression on the church and congregation of which he has been placed in charge.

KEY LOST AND FOUND.—Call here for it.

ACCIDENT.—We learn the Standard met with the accident last night of getting a form of two pages knocked into pi.—While we are bound to think "confound your politics," we are nevertheless sorry to hear of the accident.

FINE HOGS.—Our fellow townsman, Wm. F. Askew, Esq., killed seven hogs, yesterday—weighing in the aggregate, 2122 pounds being an average of 303 pounds. Now, who beats it?

MANTEO LODGE I. O. O. F.—This old Lodge, which has been slumbering for a number of years was re organized in this City last night, by the M. W. Grand Master, William L. Smith, with the following officers: P. F. Pescud, N. G.; W. P. Wetherell, V. G; J. C. Gorman, Secretary, and H. C. Prempert, Treasurer.

U. S. COURT—*Monday, Dec.* 13.—Court met at the usual hour. David Barnhey, of Henderson ville, and Nathaniel McLean, of Lumberton, are appointed U. S. Commissioners, &c., to take depositions.

The Grand Jury reported to-day, through their foreman, that there was no more business before them, and, on motion of the District Attorney, they were discharged.

In the case of Marcus A. Harris *vs.* W. Scott Tucker, was then taken up—but there was no trial a juror being withdrawn.

In the case of Kelly & Piet *vs.* Jesse A. Jones—Merrimon for plaintiff and Olds for defendant, the plaintiff consented to a nonsuit.

The case of Harvey Terry *vs.* The Bank of Wilmington was next called—Phillips & Battle for the plaintiff, Strange & Bragg for the defendant.

The Court was occupied in discussing this case until the hour of recess.

AFTERNOON SESSION.

The Court re assembled at 4 o'clock, P. M., and proceeded to the consideration of the unfinished morning business. After the examination of the witnesses Mr. Phillips commenced the argument, and was followed by Mr. Strange. The speeches of these gentlemen consumed the whole evening, and at a late hour the Court adjourned.—The case will be continued to-morrow morning, when Guy. Bragg will open the argument, to be followed by Mr. R. H. Battle, Jr.

OYSTER SALOON—A SECRET.—It is not expected that ladies should visit oyster saloons where men congregate, as a general thing; but Mosely, at Pentress's corner has fitted up his saloon expressly for ladies, and there is nothing allowed there that could annoy them in the least, in going in and taking a stew or a fry. This is the secret we intended to divulge to the ladies; namely, when the young gentlemen, or old gentlemen, or middle-aged gentlemen are walking with you and fail to invite you in at Moseley's to take a dish of oysters, it is not because it is an improper place for you to go to, but from some other cause—perhaps an economical one.

Accidents from the use of Kerosene are of such frequent occurrence, that many, who formerly burned it, now prefer the inconvenience and inferior light afforded by candles, rather than incur the risk attending the burning of Kerosene. We are glad, therefore, to notice that one house has awakened to the necessity of a good Illuminating Oil, and is manufacturing and selling such an article under the name of the "Astral" Oil. It has the highest kinds of endorsements from Chemists and Scientific men, and the Presidents of more than 40 Insurance Companies of New York recommend it to general use. We cut the following from the Red Hook (N. Y.) *Journal*, which is in itself the strongest kind of a recommendation:

A FAIR TEST OF THE ASTRAL OIL.—On Wednesday night a little girl of Mr. H. H. Conklin accidentally knocked a lamp from the table, breaking it and scattering the oil over two of her sisters and upon the floor. The burner fell upon the floor with the oil, the wick still burning, and Mrs. Conklin picked it up and blew it out without igniting the oil or doing further damage. Mr. Conklin thinks this a fair test of the Astral Oil, as with the ordinary oil the house would no doubt have burned down.

This oil is manufactured by the Oil House of Charles Pratt, 108 Fulton St., New York, one of the oldest houses in the country, being established as long back as 1770. The name of this house is sufficient guaranty that the oil is a first class article.

THE LEGISLATURE.

To-day, Tuesday, is the thirtieth day of the present session of the General Assembly; the expenses of which, to date, is, in round numbers, *forty five thousand dollars*. We have no hesitation in saying that everything, good or bad, that has been done during the session, could have been as well done in six days. There would have been a saving to the State of thirty-six thousand dollars, if they had, as we believe they could, have finished what they have done in the time mentioned. But it would be hard to find intrinsic value in anything they have perfectly, and we therefore think it would have been as well for the State and better for the members, if they had drawn their seven dollars a day and stayed at home. The only losers in this case would have been the grogshops and some few suburban establishments.

NEW ADVERTISEMENTS.

PRATT'S "ASTRAL" OIL.

UNLIKE MANY OTHER ILLUMINATING Oils, is *perfectly pure*, and free from all adulterations or mixtures of any kind. It emits no offensive smell while burning, gives a soft and brilliant light, and can be used with the same assurances of safety as gas. Chemists pronounce it the best and safest Illuminating Oil ever offered to the public; and Insurance Companies indorse and urge upon consumers the use of the "Astral" Oil in preference to any other. It is now burned by thousands of families and in no instance has any accident occurred from its use; a lamp filled with it, if upset and broken, will not explode. *To prevent adulteration*, the "Astral" Oil is packed only in the Guaranty Patent Cans, of 1 gallon and 5 gallons each, which can be sealed in a manner that cannot be counterfeited. Every package with uncut seal we warrant. Be sure and get none but the genuine article, Pratt's "Astral" Oil, for sale by dealers everywhere, and at wholesale and retail by the proprietors

DR. LAWRENCE'S

Highly Concentrated Compound

FLUID EXTRACT OF

Koskoo!

THE GREAT HEALTH RESTORER!

NOT A SECRET QUACK MEDICINE—FORMULA AROUND THE BOTTLE.

Prepared Solely by

J. J. LAWRENCE, M. D.

ORGANIC CHEMIST,

NORFOLK, VIRGINIA.

☞ Beware of Counterfeits. See that Dr. J. J. Lawrence, Chemist, Norfolk, Va., and the word KOSKOO, is BLOWN ON THE GLASS of each bottle. ☜

Koskoo is endorsed by the best physicians everywhere. Read the following from Dr. Tillery, a successful practitioner of many years standing in the Old North State:

Rocky Mount, Edgecombe Co., Sept. 10, 1869.

Dr. J. J. Lawrence—Dear Sir: I have used your Concentrated Fluid Extract of Koskoo in my practice with the *happiest results*. I find it to be a *powerful Liver Invigorator Blood Purifier* and *Nervous Tonic*. In all diseases of the *Liver, Scrofulous Syphilitic, Nervous Affections, it is a remedy of immense value*; in fact, in almost every variety of Chronic Disease its use is indicated. Hoping you may meet with the success which you deserve as a manufacturer of *reliable* medicines, I am sir, with much respect your obedient servant,

R. C. TILLERY, M. D.

From Dr. Fentress, an accomplished and experienced physician.

Princess Anne Court House, Va Sept. 13, 1869.

J. J. Lawrence, M. D.—Dear Sir: I have carefully examined the formula, as well as the Therapeutic properties of your Koskoo compound, and *have prescribed it* in some stubborn cases of *Chronic Liver Affections Dyspepsia, General Debility, &c., and always with the most gratifying results*. I find it to be a splendid *Tonic Alterative, and Hepatic* combination, accomplishing its constitutional effects *without the slightest debility*; in fact *it gives fine support to the General* system while its alternative effects are being produced. *I cheerfully recommend its use to the* public. Yours, truly,

T. F. FENTRESS, M. D.

Koskoo cures Scrofula in its worst forms. From Mr. A. W. Mills, a prominent and well-known merchant of Norfolk, Va.:

No. 11, Main St., Norfolk, Va., Sept. 15, 1869.

Dr. Lawrence—Dear Sir: Your Koskoo has worked wonders in my family. My daughter has been a sufferer from Scrofula since childhood. She lost thirty-one pieces of bone from her ankle, several from her arm, besides having ulcers in several parts of the body. Whilst in this condition she commenced taking your Koskoo—it acted like a charm on her—under its use the ulcers gradually healed, and her general health greatly improved. It certainly saved her much suffering, and perhaps her life. I regard Koskoo a specific for all scrofulous affections. Your Koskoo also cured my wife of dyspepsia, from which she suffered greatly. She is now in better health than she has been in five years.

With the highest regards, I am gratefully yours, &c., A. W. MILLS.

Koskoo, the Great Invigorator.—Read the following from the Rev. Joseph E. Martin, pastor of Wesley Chapel, Portsmouth Va.:

"This is to certify that myself and wife have used Dr. Lawrence's Koskoo, and can testify to its beneficial effects. Previous to taking it we were in a condition of debility—had no appetite, and suffered from sudden and often violent attacks of headache and nervousness. Two bottles of Koskoo has improved our general health, and we regard it as invaluable, and most cheerfully recommend it to all who have need of, an *invigorator*. Yours, &c.

JOSEPH E. MARTIN.

KOSKOO!

CURES CHRONIC RHEUMATISM.

Norfolk, Virginia, September 7, 1869.

Dr. J. J. Lawrence—Dear Sir: My son has received so much benefit from your wonderful Koskoo that I cannot refrain from expressing my gratitude. I had tried almost everything without benefit. I believe, in all sincerity, that your Koskoo is an Infallible Remedy for the disease from which he has suffered, and, so far as I can learn, has never failed. If you only knew the immense amount of suffering that he has undergone, then you could conceive the value of such a remedy as Koskoo—that surely cures. The great amount of good it is now doing among us is inestimable.

With much gratitude I am respectfully yours, &c., MRS M. E. A. NELSON.

Dr. Lawrence—Dear Sir: Having been treated by several skilful physicians for Dyspepsia, Chronic Disease of Kidneys, General Debility, &c., without benefit, as a last resort I commenced the use of your Koskoo, and am pleased to say that under its use my health has been entirely restored.

I am, sir, with much respect your obedient servant, O. B MEARS.

No. 5 Market St., Norfolk, Va., July 6, 1869.

Pacific, Franklin Co., N. C., Sept. 11, 1869.

This is to certify that for a long time I suffered very much from inaction of the liver and constipation of the bowels and tried several remedies, but received no benefit until I commenced taking Koskoo. I took the medicine about one month, and I was completely *cured* and have remained well. I know of several *cures* made by Koskoo, and can cordially recommend it as a good medicine. JOHN H. BAKER.

From Mr. Womble, a prominent hardware merchant of Norfolk:

No. 13 Market Square, Norfolk, Va., Oct. 25, 1869

Dr. Lawrence.—Dear Sir: To the large number of testimonials which you offer of the great efficacy of your Koskoo, I take pleasure in adding my own. I suffered greatly with Nervous Debility, Headache, Loss of Appetite, &c. Two bottles of Koskoo restored me to health. Yours, truly,

J. G WOMBLE.

From Rev. W. H. Christian, Pastor Dinwiddie Street Methodist Church:

Portsmouth, Va., October 25, 1869.

This is to certify that I know Dr. Lawrence well. He is a gentleman of cultivation, and worthy the fullest confidence. I have used his "Koskoo" with advantage to myself, and have adopted its use in my family in cases of nervous debility and depression.

W. H. CRISTIAN.

From Rev. C. H. Wiley formerly State Supt. of Education.

Bristol, Tenn., Oct. 14, 1869.

I had seen by the papers what had been done by the Board of Education in North Carolina and was glad. I had ample reasons for my former recommendations in the use of the books in our schools.

These Books are Used by the Best Schools in the State.

Late Testimonials in Brief.

It affords me great pleasure to bestow on them my heartiest commendation. They are vastly superior to any other books of the kind I have yet seen.—W. H. Whitsett, Prin. Cl. and Math. School, Elizabeth City, Oct. 25, 1869.

Send me ten Davies' Intellectual Arithmetics for introduction. They are superior to any I have seen.—W. F. English, Mount Olive, Oct. 20, 1869.

I intend using the same books in my school as those used in the Common Schools. * * * I am already using Monteith's Geographies.—John D. Johnson, Yadkinville, Sept. 25, 1869.

I am and have ever been an earnest advocate of uniformity in school books. The Board recommendations—Arithmetics and Geographies—are the best that could have been made.—H. H. Smith, Lincolnton, Sept. 28th, 1869.

Because these books are adopted by the State Board, as well as for the merits of the books themselves, we wish to introduce them, and use them exclusively in our school.—Rev. S. C. Alexander, Charlotte, Oct. 11, 1869.

Steele's "Nat. Philosophy" received. Am struck with its superiority to the other in many respects. As a class is waiting, substitute in my order Steele's Philosophy for first introduction.—G. W. Jewett, Wilmington, Oct. 19, 1869.

Davies' Mathematics was adopted by me in 1855, and up to this time I have examined no work superior to them. I have examined McNally's Geography and Peck's Ganot's Natural Philosophy. I consider them most excellent works and shall put them into my boys' hands at the earliest period.—J. S. Dodson, Pres. Male Academy, Watertown.

It is my purpose to introduce Monteith's (No. 4) into my school. I give it the preference for the information which it gives on the subject of Physical Geography. The maps and questions in both works (Monteith and McNally) seem to me to be admirable.—Rev. Alsbert Smedes, D. D. Rector of St. Mary's, Raleigh.

The system of Geography—Monteith and McNally—I am well pleased with.—Wm. S. Law, Raleigh.

Davies' Arithmetics, Monteith's Geographies and the National Readers are too well known to require a word from me. Monteith and Davies are the best that I am acquainted with.—Prof. Frank Vaughan, Elizabeth City, Oct. 11, 1869.

I have waited patiently for the adoption by the Board of Education of this State of the books to be used in the public schools, and am much pleased to find that so many have been selected from the National Series.—Rev. W. L. Miller, Charlotte, Oct. 1, 1869.

Am much pleased with both the Spellers and all the readers; and as to the Series of Geographies, I have long used no others when these could be obtained. Dr. Wm. B. Harrell, Prin. High School, Snow Hill.

The introduction of so much valuable matter on the subjects of Physical Geography and Geology, and in a form so simple and intelligible as set, (Monteith's Intermediate Geography) is my judgment, a charming school book.—Col. Wm. Bingham, Prin. Bingham School.

I design introducing McNally's Geography and Davies' University Arithmetic.—Dr. Closs, Prin. Durham Academy.

Will introduce the University Arithmetic next term. An admirable work.—M. L. Little, Prin. Pleasant Hill Seminary, Newton.

Monteith's Geographies are excellent works, and I shall introduce them into my school.—Simeon Ives, Prin. Auburn Academy.

The superior and durable style of binding of your works is a very great recommendation—one with which I have long been favorably impressed.—Prof. W. A. Obenchain, late Hillsboro' Military Academy.

I have introduced your National Series of Readers. We find them to be excellent, just suited to our purposes. With Davies' Mathematical Series we have been long familiar, and can find no good reason for changing them. In the Primary Department we have Monteith's Geographies.—Rev. D. D. Bernheim, Prin. Female Seminary, Mount Pleasant.

The National Series of Readers and Spellers are the best with which I am acquainted. I shall henceforth use no others in my school. I use Davies. I consider his works incomparably superior in many respects. Monteith's Series afford a gradual but thorough and systematic progression.—Prof. Jos. H. Foy, President Stantonsburg Scientific High School.

I regard Monteith's Physical and Intermediate Geography as one of the best books of its kind. It has several points of superiority over most primary Geographies; Geography is here treated from the only true and rational standpoint, viz: of Geology and Physical Geography.—Prof. W. C. Kerr, State Geologist of North Carolina.

Mr. Taylor Johnson Olive's Chapel, has introduced the National Readers, Monteith's Geographies, Davies Arithmetics, Clark's Grammars, etc.; Mr. John Franks, Grove P. O., has introduced the National Series throughout; Mr. W. A. Branch, New Hill P. O., uses the National Series throughout; Mr. Adolphus Rogers, Green Level P. O., uses the National Reader, Copy-Books, Monteith's Geographies, and York's Grammar; Mrs. Emma Bangham, Cary P. O., uses the National series; Mr. H. C. Olive, New Hill P. O., introduced Monteith's Geographies. There are now at least 250 pupils in Wake and Chatham counties who are daily using the National series of books, within my knowledge.—Prof. W. H. Mumbrey, Chatham county, Sept. 14, 1869.

I am glad to learn that some of your books are to be introduced into our State Schools.—Prof. J. M. M. Caldwell, Greensboro' High School, Oct. 23, 1869

Distinguished Editors and Critics Praise Them.

The Series must prove acceptable. The structure of language is beautifully exhibited.—Fayetteville *Presbyterian*.

The firm will allow no competition in the price of books published by them which are among the best in the State.—Statesville *American*, 1866.

Have a reputation for merit unsurpassed.—Statesville *American*, 1869.

Peculiarly adapted to supply the wants we have long felt.—Greensboro' *Patriot*.

Have acknowledged superiority by the most competent judges.—Western *Sentinel*.

Davies is excellent in the first degree.—Wadesboro *Argus*.

Are excelled by none of the many used, and they are superior to most of them.—Newbern *Journal of Commerce*.

When we examine the bright pages of the National series, and think how we groped along the dry and uninteresting "task" of our boyhood, we are constrained to be envious of the happy pupils of the present.—Wilmington *Post*.

The National Series has attained probably a higher reputation than any other complete series of School Books now in existence.—Wilmington *Herald*.

See what the HIGHEST INSURANCE AUTHORITY in this country says. In the June number of the *Insurance Times*, of New York, the following opinion was expressed:

"If there is any great benefit in mutual association, any great advantage to be derived from scientific organization and a chartered source, tending to mitigate the sufferings, lessen the privations, and add to the peace, security, and happiness of humanity, we are prepared to show that these blessings flow, in all their fullness and purity, from this excellent, powerful, and flourishing Company, the ÆTNA LIFE, of Hartford."

**"No institution has brought more prompt, full, and grateful relief to the hearth of the bereaved and desolate, and none has been more uniformly distinguished for the enterprise, wisdom, and equitable liberality with which it has fulfilled
